## „Burning Bush“

God spoke, God spoke oh yea, He spoke.

God spoke, God spoke oh yea.

He spoke: I am who I am, I'll be who I'll be!

God spoke, God spoke oh yea, He spoke: Lead my people out of Egypt until they are free.

Moses in the desert saw a burnin' bush. Moses in the desert, he was scared and said:

God spoke, God spoke oh yea, He spoke.

God spoke, God spoke oh yea, He spoke.

Flames were raging but the wood did not burn. Who will listen to somebody like me?

Moses heard a voice in that burnin' bush. Moses was in doubt but he heard that voice:

God spoke, God spoke, He spoke.

Calling Moses! He answered: Here I am.

God spoke, God spoke, He spoke.

Calling Moses! I promise: I'm with you.

I have heard the cries of the children of Israel.

Lead them to the land where milk and honey flow.

God spoke! Freedom! This is what God spoke! God spoke!
