„Come Together“

You, you are my people.
I see war and injustice,
I see racial division,
I see hate and murder.
That's not the way I meant it to be. Got to start this over,
You were meant to be free!

I, I made these people,
I thought what a wonder.
I saw beauty and loving.
I saw strangers supporting.
This is the way I meant it to be
Got to get this going
You were meant to be free!
Come together, right now
Over me.

You, you are my people.
I see hope in the future,
I see love abounding,
I want joy forever.
This is the way earth was meant to be.
Live this way together
And you all will be free!
Come together, right now
Over me.

Let's come together, all.
Let's come together, all you people!

Live this way together
And you all will be free!
Come together, right now
Come together, right now
Come together, right now
Over me.
